### **About the U.S. Philatelic Classics Society, Inc.**

The U. S. Philatelic Classics Society (USPCS) is a not-for-profit 501(c)(3) association of people interested in the pre-1894 stamps and postal history of the United States. The goal of the USPCS is to promote interest and knowledge of philately through the encouragement of philatelic research, and through exchange of information among our members as well with other philatelic organizations. The USPCS does this in part by preparing and distributing philatelic literature and periodicals, particularly *The Chronicle of the U. S. Classic Postal Issues* and the *Chairman's Chatter*. The USPCS is operated entirely by volunteers, and welcome anyone interested in the "classic era" of American philately. Visit the USPCS on the web at [www.uspcs.org](http://www.uspcs.org).
